POSSE D.C.

Dear Posse Nominee:

Congratulations on your nomination for the Posse Scholarship. If you're reading this, you've just completed your first-round interview. You were nominated for a reason, and we're so glad to have met you in person.

Now that you know more about Posse, it's going to be important for you to familiarize yourself with Posse's partner colleges and universities so you can narrow down which schools you'd like to be considered for. If you advance to the next round as a semi-finalist, we're going to ask you to let us know your top choice colleges or universities.

This booklet presents a brief profile of each Posse partner school. We hope you get excited about them; they are among the very best institutions of higher education in the United States. Take a look, but also research these schools further on your own.

Good luck and we'll be in touch soon,
Posse

CONCEPT

Posse started in 1989 because of one student who said,

“I NEVER WOULD HAVE DROPPED OUT OF COLLEGE IF I HAD MY POSSE WITH ME.”

The Posse Foundation identifies public high school students with extraordinary academic and leadership potential who may be overlooked by traditional college selection processes. The Foundation extends to these students the opportunity to pursue personal and academic excellence by placing them in supportive, multicultural teams—Posses—of 10 students. The Foundation’s partner colleges and universities award Posse Scholars full-tuition leadership scholarships.

THREE GOALS

1. To expand the pool from which top colleges and universities can recruit outstanding young leaders from diverse backgrounds.
2. To help these institutions build more interactive campus environments so they can become more welcoming for people from all backgrounds.
3. To ensure that Posse Scholars persist in their academic studies and graduate so they can take on leadership positions in the workforce.

Bucknell UNIVERSITY

LOCATION: Lewisburg, Pennsylvania

CLOSEST CITY: Harrisburg, Pennsylvania

UNDERGRADUATE POPULATION: 3,600

WEBSITE: www.bucknell.edu

At Bucknell, you'll connect with your professors as mentors and as innovators in their fields, engage critically with diverse perspectives, learn to write well, present your ideas and apply what you learn. We offer more than 50 majors and 65 minors in the arts, engineering, humanities, management, sciences and social sciences. Each department will ask you to explore knowledge, ideas and skills from a liberal arts perspective and take the lead in your successful future.

QUICK FACTS

- » All Bucknell students take courses across different academic departments as part of our liberal arts foundation. You'll explore a wide spectrum of subjects, which will give you the opportunity to deepen your understanding of the world, become a better writer, ask big questions and share your ideas. Many students decide to double major and/or pursue a minor as well.
- » There is a 9:1 student-faculty ratio.
- » Ninety-three percent of first-year students return as sophomores (Class of 2018).
- » Eighty-six percent of students graduate within four years.
- » Ninety-six percent of the Class of 2015 was employed, in graduate school, both employed and in graduate school or volunteering within nine months of graduation.
