POSSE ARTS PROGRAM

Dear Posse Nominee:

Congratulations on your nomination for the Posse Arts Scholarship. If you're reading this, you've just completed your first-round interview. You were nominated for a reason, and we're so glad to have met you in person.

Now that you know more about Posse, it's going to be important for you to familiarize yourself with Posse Puerto Rico's partner institution, Bard College, located in New York. This booklet presents a brief profile of Bard, a top liberal arts college with a renowned arts program. Bard offers programs in architecture, art history and visual culture, dance, film and electronic arts, music, photography, studio arts, and theater and performance. Take a look, but also research the College further on your own.

Good luck and we'll be in touch soon,

Posse

CONCEPT

Posse started in 1989 because of one student who said,

“I NEVER WOULD HAVE DROPPED OUT OF COLLEGE IF I HAD MY POSSE WITH ME.”

The Posse Foundation identifies public high school students with extraordinary academic and leadership potential who may be overlooked by traditional college selection processes. The Foundation extends to these students the opportunity to pursue personal and academic excellence by placing them in supportive, multicultural teams—Posses—of 10 students. The Foundation’s partner colleges and universities award Posse Scholars full-tuition leadership scholarships.

THREE GOALS

1. To expand the pool from which top colleges and universities can recruit outstanding young leaders from diverse backgrounds.
2. To help these institutions build more interactive campus environments so they can become more welcoming for people from all backgrounds.
3. To ensure that Posse Scholars persist in their academic studies and graduate so they can take on leadership positions in the workforce.
